## Probandt Collection

15 linear inches

**Record ID:** A-23

**Donor:** Unknown

**Acquisition:** Gift

**Access:** Open for research

**Restrictions:** None

**Citation:** Probandt Collection, West Texas Collection, Angelo State University, San Angelo, TX

### Administrative/Biographical History:

Note in one ledger read “Kathy Probandt, Sterling City.” It is possible that the ledgers belonged to Felix Probandt, an early San Angelo merchant. For each date, one side of the page lists probable customers while the other page has all of the Probandt family members listed. Others listed on the “Probandt page” might possibly have worked for them. Only names and amount of money are listed. Customers listed in ledgers are pioneers from this area.

### Scope and Content:

Collection includes two leather-bound ledgers dated 1891-1895. Each ledger lists customers.
